

COIL

1560-AGB

Staying true to its name, Coil is a series of metallic loops, starting out small and solid and finishing large and airy. Edge-lit LEDs placed behind the circular alabaster shade create a gorgeous glow while beautifully lighting up the soft veins in the alabaster. This stunning sconce is available in Aged Brass or Polished Nickel.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
