

ACHILLES

4100-PN

We have a weakness for acrylic—call it our Achilles' heel. Taking inspiration from a genius piece by a French designer of the fifties, we swapped out the original's green glass for transparent acrylic. The opal matte diffuser is a smooth cylinder suspended on three pins. Sure to inspire Lucite lust in even the most dedicated traditionalist, Achilles is a beautiful piece, stunning with brass accents, effortlessly cool with nickel.
