

WALDEN

4911-PN

With simple shapes formed from metal and glass, Walden is an art sculpture disguised as a sconce. Thickly pressed, ridged piastra glass sits below a triangle or semi-circle of metal. An integrated LED between the metal and glass emits a warm, natural glow. Extending only 2.25" from the wall, Walden makes a statement without taking up space. Available in a Gradient Brass or Polished Nickel finish.
