BUSHWICK

9151-BLNK

As useful as it is beautiful, this utilitarian wall sconce lets you completely control the light and set the mood. In addition to swiveling up and down, the full-range dimmer on the top takes the light down to 10 percent and back up again. Meant to look handmade, the single shade has a telescope feel that will make Bushwick the star of any space. Available in Aged Brass, Aged Old Bronze and Black Nickel.
