

VENUS

H549101-AOB

A true visionary, Venus shines brighter than her namesake, telling a visual story of balance along the way. Venus embraces the idea of lighting as art, serving as both a striking light fixture and art piece. A brass conical collar anchors the design with metalwork looping playfully to reveal a dueling brass accent. Venus' beauty is boundless, making her the perfect accoutrement to actual art or blank space alike.
