

# ABSTRACT™

2181.03-S1-M1-L1

Suspended by spindly rods, the prism-shaped reflector of the Abstract™ surface mount brings drama to the ceiling. Each of the three triangular corners is seemingly stretched outwards by the tension of the rods in these cleverly constructed fixtures. Abstract comes in three sizes and is capable of being overlapped as a layered configuration for larger spaces. Available with Satin Black and Satin White finishes.

## FINISHES

Satin White
