

COUNTERPOINT™

2884.16

A deconstruction of mid-century satellite designs, Counterpoint™ juxtaposes linear metalwork with rounded discs to create striking installations. In the larger variations, a curved arm rises and arcs, introducing a calligraphic line to the clean frame. Symmetrical spacing along the arms allows each illuminated point to breathe. With three sizes and the finish options of Bright Satin Aluminum and Satin Black, this family of pendants reimagine minimalism for the modern lifestyle.
