

PERTH

352-20-VB

An alabaster shade in a gorgeous gemstone cut is topped by a smaller, symmetrical piece of Vintage Brass giving this elegant sconce its art deco vibe and old Hollywood glam. When lit, the alabaster illuminates beautifully from the LED within. Perth is ADA compliant and can be mounted close to the wall, adding both usability and versatility.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
