

# SAN JUAN

361-01-VB

---

Playing with shapes and angles, San Juan takes an alabaster cube form and projects it at an angle giving this sconce a modern and highly sculptural look. The round Vintage Brass backplate adds more visual interest and the alabaster illuminates with a gorgeous, soft glow.  
\*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
