

FINO DUO

3779.25

Building on the minimally scaled LED Fino Pendant, Fino Duo signals graphic architectural presence with pairs of interconnected LED Fino metal bars. Ultra-thin and minimally scaled, these slender bars deliver powerful light symmetrically along a linear path. Fino Duo Pendants are ideal above a kitchen island or long table, including dining spaces, conference rooms, and bars. A may be ordered in conjunction with multiple Fino Pendants, to seamlessly connect multiple pendants together for larger spaces.
