

BRAHMA

489-49-VB/BRZ

Modern with a historical reference, the Brahma family uses scale and repetition to create a stunning maximalist statement. The contrasts between the Vintage Brass and Bronze metalwork add visual interest, while the stacked tiers create a grand look. The central rings of the fixture support gracefully branching arms with milky cloud glass shades, contributing to the majestic presence of this chandelier. Whether you choose the 25 or 44 light option, Brahma makes an impressive addition to any space.
