

FLUE™

7480.72-WL

Paying homage to industrial design, the Flue™ family brings strength to its surroundings. Clean vertical cylinder shades direct an independent beam downward while also washing the wall with light. Mounted on a rectangular backplate, this family of sconces is ideal for flanking mirrors or lining hallways without disrupting the architecture. Available in two sizes with finish options of Textured Bronze, Textured Gray, Textured White, and Textured Black.
