

# BRYANT

8311-AI

An antique four-sided lantern is reimagined with a slender framework and soft curves. The openness of Bryant allows light to flow freely, radiating in every direction across a hallway, entryway, or stairwell. From a small lantern to a large linear, every format evokes a sense of old-world charm. Whether with Aged Iron, Gold Leaf, or White Plaster finishes, the all-over materiality lets the design-forward concept shine.
