

CELMINS

AHL5964-BI

A natural extension of the Cy floor lamp, the Celmins family translates the warmth and texture of handmade materials into quiet, architectural forms. Crafted from handmade paper, the angular shades are trimmed in mushroom-hued whipstitching—a thoughtful detail that speaks to the artistry of their construction. Available as a 1- or 2-light wall sconce and a coordinating floor lamp, Celmins brings a soft sculptural quality to interiors.
