

ANDERSEN

B4314-PBR/BRZ

Inspired by the mid-century designs of Serge Mouille, this industrial-style family makes a statement with its sprawling yet delicate arms. Each shade features a slot for the arm to pass through, partially exposing the bulb. A mix of Patina Brass and Bronze finishes adds a sense of depth to the modern style of these fixtures. While the 1-light sconce features an adjustable arm, the 3 and 5-light chandeliers are cantilevered and reinforced by wire braces.
