

ECLIPSE

C3716-SBK

A concentric ring reflector and striking materiality elevate the simple disc silhouette of Eclipse. As light washes over the ripples of the Brass Plated Glass interior, it spreads outwards with a dramatic effect, not unlike the cosmic phenomenon for which it is named. Whether mounted on the wall or ceiling, the contrast between the Soft Black exterior of the shade and the golden interior leaves a lasting impression.

FINISHES

SOFT BLACK (SBK)
