

# BERYL

F2112-PBR

Beryl is a fresh take on industrial style—using material and texture to make it modern. Enclosed at the bottom in rippled glass, light is reflected from a lens in the neck for a beautiful, eye-catching effect. This dome-shaped glass pendant is finished in a brass-plated ombre, obscuring the light source and adding a warmth that complements the Patina Brass hardware. Available as both a large and small pendant, the smaller size can be mounted close to the ceiling.
