# **ORIGAMI**

#### F5535-GRA/SL/SS

Origami turns the precise and intricate practice of the ancient art of folding paper into a three-dimensional, modern masterpiece lighting collection. At first glance the hand-worked iron exterior has a depth and perspective that is unexpected in a metal piece. It is the variatior in geometric shape, angles, and actual thickness of the metal that contribute to the dynamic dimension, playing with perspective and offering a fresh and unique view from any angle.
