

HUNTLEY

F8315-PBR/VER

Inspired by outdoor stone relics that evolve both physically and symbolically over time, the Huntly lamp taps into an ancient vernacular while staying grounded in its refined, polished form. The concave cut-outs on the front and back create an evocative relief reminiscent of surfaces worn smooth by flowing water. Sculpted from matte ceramic with an overscale natural linen shade, this lamp serves as a conversation piece in any space. Part of our Chandler McLellan collection.
