

# JANIE

H1043902-AGB/TRB

The Janie family modernizes antique references with transitional lines and an unexpected mix of materials. Scalloped shades, swooping arcs, and ornamental spheres evoke a sense of maximalism. The addition of True Bronze sleeves on the Aged Brass frame makes these fixtures suitable for both light and dark interiors. Designed to be layered together, the fixtures in the Janie family create a mood-boosting lighting experience. Part of our Mandy Cheng collection.
