

# CHRISTINE

H1058101-AGB

Like modern jewelry for a room, the Christine family pairs subtle, yet special glass treatments with unusual looped chain details. The warmth of the champagne glass works in tandem with the curved shaping of the shade to create a gentle diffusion of light. Welded ring details shine above and below the glass, adding a decorative detail to the earring-like silhouette. Available as a pendant in two sizes and as a wall sconce, Christine can be used solo or in multiples to create a welcoming mood.
