

ACACIA

H1079101-AGB

The Acacia sconce is playfully maximalist in form, yet tailored in materiality. The white linen shade has a sophisticated return on top, adding an unexpected twist to the pleated design. The shade is supported by a dramatic Aged Brass-finished J-arm, which connects to a wooden backplate through a simple sphere detail. The dark wood's classic, heritage feel and contrasting color help visually separate the shade from the wall.
