

ZANI

H655102B-AGB

Inspired by 1940s industrialism and reminiscent of an urban subway map, Zani is a classic globe sconce with a literal twist. Curved arms flow from a circular backplate and hold the globes up or down, casting light in both directions and giving the piece a feeling of fluidity. Choose from clear glass bulbs for bright, clean light or opt for opal glass for a more refined look.
