

SAYLOR

H832102-AGB/SCR

An imaginative twist on a mid-century modern design, Saylor has a modernized atomic look with large orb shades, an Aged Brass framework, and subtle vintage details. The swivel arms of this chandelier can be configured at any angle, providing control over the direction of light. Perforation details add a pop of interest to the shades. Saylor is available as a 6 or 8-light chandelier and a 2-light sconce.
