

OAK CHAMFERED

SH147665-OA

Bold and beautifully crafted, the Oak Chamfered Mirror is a study in timeless design. Inspired by classical architecture, the chamfered edge—an age-old technique used to soften corners and celebrate form—adds sculptural depth to its solid white oak frame. Designed to anchor an entryway, elevate a hallway, or bring warmth and reflection to a bedroom or bath, this striking mirror is built to last and made to be admired.
